FOOTPRINTS

ANNUAL PUBLICATION
OF THE STUDENTS OF
BURNET HIGH SCHOOL

It is our hope in presenting the 1949 edition of FOOTPRINTS to portray to the best of our ability, the spirit, traditions and activities of Burnet High School.

In preparing this annual we have kept in mind the true school spirit of Burnet High School, which is, in reality, the foundation of community spirit, national spirit, and even world spirit.

As time passes and the memories of our school days grow dim, if this book may help us in any way to relive our happy days at B. H. S., then we, the Annual Staff of 1949, will have accomplished our objective.

SUPERINTENDENT'S STATEMENT

Congratulations to the Annual Sponsor and Staff. This book is another representation of what we "can do"

The more we develop the spirit of Loyalty the greater the feeling of a "job-well-done"

May we continue to so conduct ourselves that when we read the contents herein our Pride will soar to new heights.

J. C. Petty

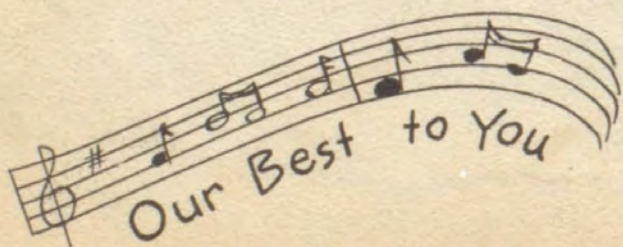

PRINCIPAL'S ENCOURAGEMENT

Yearbook Staff, your theme is great! Congratulations!

Through unity, loyalty, and cooperation, we shall build. We shall help pave a smooth clear highway for the "feet" of the many to follow us.

Onward and upward we shall climb, in harmony as a mighty chorus, challenging the best in us and others

OF FRIENDS

Taylor Publishing Company

Your yearbook is a store of treasured memories. The oft repeated thrill of recollection which accompanies each new search through its pages will many times repay you for the care and consideration which has gone into its creation.

We are proud of the part we have had in preserving "treasured memories" in 1949 Annuals for more than 1100 Colleges and High Schools in seventeen States.
